

## Cost Information Worksheet

This worksheet is intended to be used as a tool to help you estimate your balance for the 2009-2010 school year. Please contact your Student Account Manager for assistance enrolling in your payment plan or visit [www.fresno.edu/paymentplan](http://www.fresno.edu/paymentplan).

### How to use the cost information worksheet:

- Please review the “Cost and Financial Aid” section of the Fresno Pacific University catalog. Be sure you understand the costs, refund policies, and financial aid policies. Details can be found at [http://www.fresno.edu/dept/registrar/Pages/univ\\_catalog.htm](http://www.fresno.edu/dept/registrar/Pages/univ_catalog.htm).
- Carefully review the worksheet and circle or write the tuition and fees that apply to your situation. Review the “Additional Potential Fees” listed on the worksheet. If any apply to you, add the appropriate fee(s) to your costs for the semester. Be sure to note if the fees are per semester, per unit, or per class.

#### Important Health Insurance Information:

Every student attending FPU must have proof of health insurance coverage. To apply: Complete the application section.

To waive: Complete the waiver section and attach a photocopy of the *front and back* of your insurance card. Students who do not submit a waiver with the required documentation **will be charged** for school sponsored health insurance.

**School sponsored health insurance is non-refundable after the second week of classes.**

#### Important Housing & Board Information:

Housing assignment is dependent upon academic level (Freshman, Sophomore, etc.) and availability. All Freshman and Sophomores living in modules and suites are required to have the Full Access meal plan. All Juniors living in suites are required to have the 70 Block meal plan. All students living in the houses and apartments may opt to add a meal plan.

- Add all applicable charges to determine your total estimated cost (Section A)
- Add your total state and federal grants, FPU scholarships, Stafford loans and any outside or additional aid you expect to receive or plan to accept (Section B)
- In Section C, indicated your total charges less your total financial aid. This will help you determine your estimated remaining balance due.

### PAYMENT PLAN GUIDELINES & OPTIONS:

- All payments are due on the first of each month.
- All payment options are interest free.
- Students must be enrolled in a payment plan by the end of the first month of classes each semester. Students not enrolled by this deadline will be enrolled by a Student Account Manager and subject to a \$50 Administrative Enrollment Fee.
- Payment plans may be made online at [www.fresno.edu/paymentplan](http://www.fresno.edu/paymentplan) or with a Student Account Manager. Please call 559-453-2041 to schedule an appointment.
- All balances must be paid in full prior to the end of each semester in order to be eligible for future registration of courses, to receive transcripts and/ or your diploma if you are graduating.

#### Semester Payment Option:

This plan considers each semester individually. Payments are made monthly September through December for the Fall and January through April for the Spring. Balances are based on actual amounts and may vary as charges or credits are applied.

#### Pay-in-Full Option:

Students may pay the semester balance in full. Payment is due by the end of the first week of each term or the student will be administratively enrolled in a semester payment plan with a \$50 Administrative Enrollment Fee assessed to the account.

This worksheet is intended to give you an estimated total cost for the 2009/2010 school year and DOES NOT serve as your payment plan. Once your classes are billed, you can complete your payment plan online at [www.fresno.edu/paymentplan](http://www.fresno.edu/paymentplan).  
 Add the charges that apply to you and subtract your accepted aid to estimate the total due.  
 To estimate payments, divide the balance by the remaining months of the semester.
