

Placement of New Faculty Appointees on the Salary Scale

Faculty Handbook Section 9.2.3

The initial contract of a new faculty member at hiring will indicate step placement on the salary scale and professorial rank. Placement will be made by the Provost/Senior VP and appropriate school dean. The appropriate department/program director/chair may be consulted as needed.

3 yrs. of credit toward tenure (section 3.7):

Newly hired faculty members who have achieved tenure at another institution are not immediately eligible for tenure at Fresno Pacific University at appointment. However, upon the recommendation of the dean and the Rank and Tenure Committee, which conducts the third-year evaluation, such a faculty member may receive tenure earlier than the six-year period upon the recommendation of the Provost/Senior VP to the president.

Rank eligibility [see section 3.4 for definitions]
