Integrated Teacher Education Program (ITEP) Pathway

The Liberal Studies ITEP pathway is an accelerated pathway to earn your multiple subject teaching credential. New or transfer students can take at least one year off the current traditional route. FPU's credential programs are accredited by the California Commission on Teacher Credentialing (CCTC, www.ctc.ca.gov).

*This roadmap is an example of the pathway a student can follow to complete the degree requirements. Students should meet with a Fresno Pacific Academic Advisor to develop a personalized education plan.
