Determine with your mentor(s) which of the courses you will take abroad will meet requirements for your major(s), minor(s), and/or GE. Courses not meeting these requirements may be used as electives. If needed, determine which courses will satisfy the requirements for the "Focus Series." (Please refer to #5 in Step by Step to GE)

Sometimes the Global Education course descriptions may not be up-to-date and are in all cases subject to change. Therefore, it would be difficult to make last minute arrangements with your mentor(s). We strongly advise you to select as many as seven courses for Global Education. In the event that one of your selections is canceled or unavailable for scheduling reasons, you should have enough courses to meet your required number of credits.

When you complete this form and have obtained the necessary signatures, return it to Global Education office (Ken Friesen). A copy will be given to the **Registrar's Office**, your **mentor(s)** and **you**. We strongly suggest that you take a copy of this form with you on your Global Education experience.
