List any current medications, dosages, frequency and/or side effects that may affect the student's academic performance.

_____

_____

What are your recommendations for reasonable accommodations? _____

_____

_____

If applicable, list foods that need to be restricted from the diet. Include a brief description of the reason for the restriction (i.e. severe/moderate/mild allergy, acid reflux, sensitivity/intolerance, etc.):

_____

_____

If student is requesting an emotional support animal, what specific symptoms are alleviated and how by the presence of an animal?

_____

_____

Is there evidence that your recommended accommodations or treatment, which may or may not include an emotional support animal, mitigates the student's symptoms or lessens the barriers caused by a disability to college-level coursework and/or living in on-campus housing? Please explain or attach test results, if applicable.

_____

_____
