

The School of Business at Fresno Pacific University is proud to announce a pathway for individuals completing State Fire Training (SFT) to earn a Bachelor of Arts in Business Administration. Students who have successfully completed the following SFT coursework may be awarded elective units as follows:

- Company Officer Certificate – 3 elective units
- Chief Fire Officer – 9 additional elective units (12 total including Company Officer)
- Executive Chief Fire Officer – 4 additional elective units (16 total including Company Officer and Chief Fire Officer)

A copy of the SFT diploma and transcript are required to award transfer credit.

SFT elective units may be applied to FPU's BA, Business Administration with a choice of the following emphasis areas and may be completed fully online:

- [Emergency Management](#)
- [Project Management](#)
- [Business Management](#)
- [Organizational Leadership](#)

Additional transfer credit may be awarded in accordance with our university [Transfer Policy](#).

Fresno Pacific University recognizes the reciprocity of Pro Board and IFSAC and encourages interested applicants from outside of CA to apply and request an evaluation of prior coursework.
