## **University Student Learning Outcomes Achievement Report Academic Year 2020-2021**

Fresno Pacific University systematically assesses the effectiveness of its programs as faculty engage with students in providing experiences that contribute to the achievement of the University Student Learning Outcomes (USLO). Course signature assignments are one tool used to evaluate institutional effectiveness and are used as a direct measure of student learning. In courses deemed summative to a program, faculty develop signature assignments with associated analytic scoring rubrics whose criterion lines are aligned to the USLOs. Faculty evaluate student signature assignments with these rubrics and the results are systematically collected and analyzed. A total of 5,507 authors were available to be evaluated across all 10 USLOs and all populations, Traditional Undergraduate, Degree Completion, and Graduate. The University benchmark is 90% Meets/Exceeds each outcome. For the 2020-2021 academic year, that benchmark was met.

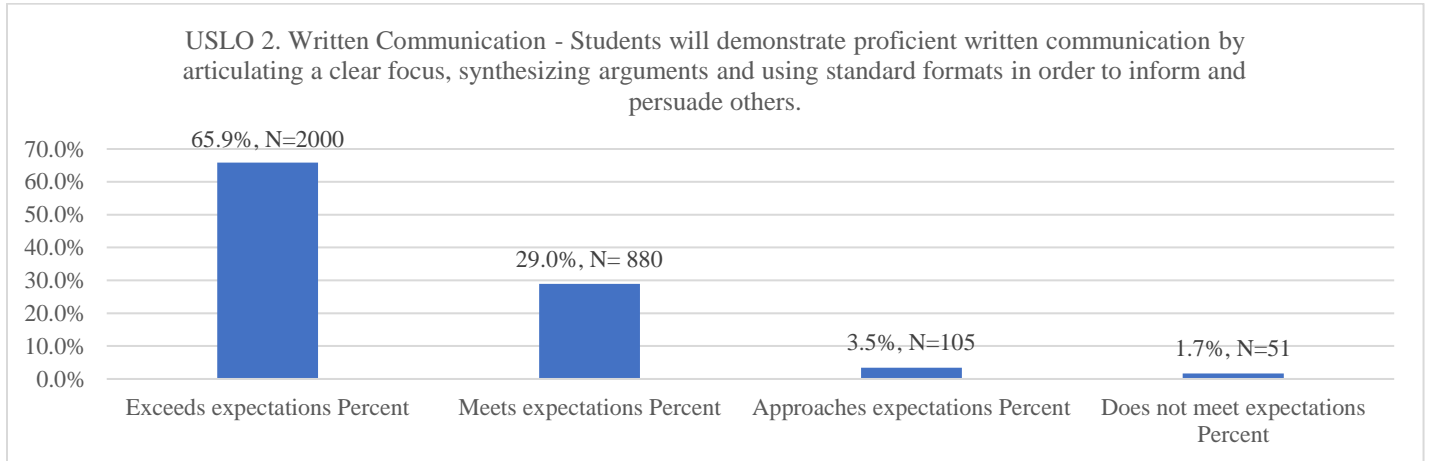

WSCUC's Standard 2.4 holds faculty accountable for taking collective responsibility to establish appropriate standards of performance and for demonstrating through assessment the achievement of said standards. The following scores represent student achievement of the standards set by FPU faculty.

Of the 5,507 enrolled students 59.1% (3,254) were scored/assessed. For the 2020-2021 Academic Year there were 481 assessments planned, of these assessments 60% (288) were completed.
