

Master of Arts in Reading and Language

Unlock the power of words and transform lives

Designed for educators and professionals passionate about literacy, this program equips you with advanced skills to inspire and lead. Dive deep into innovative strategies, gain hands-on experience and become a catalyst for change. Embark on a journey where your passion for reading and language can make a profound impact.

A Master of Arts in

Reading and Language

This program equips professionals to put literacy theory into practice, to become confident decision makers and to develop the skills needed to be change agents in the field of literacy. An advanced degree will provide you with:

- ▶ **Specialized Expertise:** Acquire specialized skills to address diverse learning needs, including those of struggling readers and English-language learners.
- ▶ Develop a **comprehensive understanding** of language development and literacy processes.
- ▶ **Innovative Teaching Strategies:** Learn the latest instructional methods and technologies to enhance literacy instruction.
- ▶ **Competitive Edge:** Stand out in the job market with specialized knowledge and skills that are highly valued by employers.
- ▶ **Career Advancement:** Open doors to leadership roles in education, such as literacy coach, reading specialist or curriculum coordinator.
- ▶ **Professional Network:** Connect with a community of educators and professionals dedicated to literacy and language education.
- ▶ **Skill Development:** Improve communication, critical thinking and problem-solving abilities.
- ▶ **Personal Growth:** Enhance your own critical thinking, communication and analytical skills, making you a more effective and reflective educator.
- ▶ **Impactful Change:** Make a significant difference in your community by promoting literacy and improving educational

 - Offered at FPU's Fresno Main Campus
- ▶ **Enrolling for fall (August) start.**

Literacy Skills for Educators Ready to Make a Difference.

Our coursework focuses on the factors that influence the development of language and literacy skills with particular emphasis on understanding foundational and theoretical perspectives, improving instruction and understanding relevant research as a means of guiding literacy practice. It examines the reading/writing process, second language acquisition, literacy assessment techniques and the use of literature in the classroom.
