

Scholarships/Becas

For ALL Students Regardless of Immigration Status
Para TODO estudiante sin importar su estatus inmigratorio

Last updated 7/2004

In order to qualify for state and federal financial aid, students must be legal permanent residents or citizens. If a student is not yet a legal permanent resident, they should look to private scholarships to help with educational expenses. The scholarships on this list do not require a social security number, legal residency, or citizenship. As a general rule, if an application asks for your social security number and you do not have one yet, leave that space blank but fill out and turn in the application. Lying about your legal status or providing a false social security is a federal offense. Family savings and fundraising can also supplement educational costs.

Contact each scholarship provider for applications and details about updated requirements and deadlines
Ponte en contacto con el proveedor de cada beca para investigar los requisitos y plazos vigentes.

La ayuda financiera de los gobiernos estatales y federal esta disponible para los residentes legales y ciudadanos solamente. Si algun estudiante aun no es residente legal, es importante buscar becas privadas para ayudar con los costos educativos. Esta lista de becas no requiere ni seguro social, ni residencia legal, ni ciudadanía. En general, si llenas una aplicación que pide tu número de seguro social y aún no tienes uno, entonces deja ese espacio en blanco, pero llena la aplicacion y entregala. Mentir sobre tu estatus inmigratorio o proveer un seguro falso es un crimen federal. Los ahorros familiares y recaudacion de fondos tambien son recomendables para todo estudiante.
