Books and Supplies	\$350	\$350	\$700	\$350	\$350

NOTE: The total in **bold** is the amount needed to obtain an I-20 for the amount of time you want to study. Insurance is paid twice per academic year.

A **married student** should add about \$6,000 for a non-student spouse and \$6,000 for each child. (This includes health insurance costs for a spouse and child which are significantly higher than \$1,570.)

Health insurance information⁴: Cost for insurance are estimates and depend on the **starting session**:

Sessions 1 and 2: \$785
Sessions 3 and 4: \$785

Students can enroll in health insurance at any time. Policies end on July 31st and January 31st. Enrollment in sessions 1, 2, 3, and 4 provides 12 months of coverage. Insurance is provided through Gallagher UnitedHealth Group.

Students may use a private insurance plan or purchase a less expensive plan at www.hthstudents.com.

¹Summer Session will be available only if enough students express interest

²Rates may vary depending on the actual housing and meal plan assignment. The maximum cost for an on-campus room and full-access cafeteria meal plan is \$4,338/semester.

³Meals not included. One week of housing is \$100.

⁴Health insurance is optional. You are not required to have it. We highly recommend for you to purchase either an outside health insurance or Gallagher through FPU.
