Student Planning/Registration

1. Go to the following website: edplan.fresno.edu.
2. Login using the FPU ID and password found on the CampusCruiser letter which you should have received via email once you were admitted. You can also retrieve your password information by clicking my.fpu.edu and selecting Moodle Login information.
3. Select Student Planning and go to My Progress. Your personal degree evaluation will appear.
4. To plan a course, scroll through the program requirements and select the course you intend to plan/complete. (e.g. select COM 111) You will automatically be taken to the course offerings page.
5. Click the orange bar within the course box to view available sections.
6. Find the appropriate section and select ‘Add Section to Schedule’ (Make sure to pay attention to the location of each section).
7. Repeat steps 3-6 until all courses have been added to your plan.
8. Once all course sections have been added to your plan, select the advisor tab under Plan & Schedule to submit your plan for approval. For undergraduate, degree completion and certain graduate programs including teacher education and special education, all courses need to be approved by your advisor prior to registration. All other graduate students may register without obtaining approval through the EdPlan site.
9. Once all course sections have been approved (if required), go to Plan & Schedule to register for courses. The courses will appear under the corresponding semester.
10. You can either register course by course or select Register Now (right-hand corner) to register for all courses.
